

METROSENE⁺

100% polyester

One for all.

Clothes make people, so the saying goes. And when people make clothes? That's when fabric dreams come true. With Mettler Metrosene⁺.

This thread is a regular all-rounder. Whether on cotton, synthetics, mixed textiles, linens or even silk, Mettler Metrosene⁺ makes for smooth seams. And because Mettler has given Metrosene⁺ the ideal gliding properties, elaborate tension adjustments are finally a thing of

the past. Its beautiful, silk-like appearance improves the radiance of your creations. So the saying is right after all: clothes do make people. With Mettler Metrosene⁺, at any rate. The thread with the unsurpassed seam strength.

For information on spool sizes see inside.
