**SILK-FINISH MULTI**

100% mercerized cotton

I'll show your true colors,  
naturally with cotton.

Lively colors energize the spirit and turn the monotony of everyday life into a festival of visual delight. Mettler Silk-Finish Multi offers you exactly this. In 54 different color combinations, the multi-color thread displays every needlework to brilliant advantage.

Mettler Silk-Finish Multi also proves its strength in demanding applications. The high-quality, lint-free embroidery thread made of double mercerized long-staple Egyptian cotton is extremely

soft and very easy to work with. This makes Mettler Silk-Finish Multi the ideal thread for colorful motifs on both fine and moderate weight materials. The multi-color thread radiates a luxurious shine on cotton batiste, linen, terrycloth and more. Even fashioning your own postcards, Mettler Silk-Finish Multi will inspire your creativity. In any case. The multi-color thread dazzles with its natural shine and harmonizes beautifully with the many solid colors of Mettler Silk-Finish.
