A&E's Air-Entangled Quilting & Seaming Thread

## Features & Benefits:

- Made with a Air-Entangled polyester thread construction
  - No “ravel backs” or “snap backs” that could lead to unraveled stitches
  - Fewer skipped stitches and thread breaks
- Larger put-ups
  - Long continuous runs without thread changes
- High performance thread lubricant
  - Consistent from cone to cone minimizing machine adjustments
  - Uniform stitch appearance
- Less expensive than twisted thread constructions
  - Reduces quilting thread cost.

## Durability that Lasts!
