

Excell®

SPUN
POLYESTER

Excell®

A&E's global Spun Polyester thread

**“What’s really on
the Line ...
Is Your
Reputation!”**

Features & Benefits:

- Made with First Quality high-tenacity low variation staple polyester
 - Allows the use of smaller thread sizes to minimize seam pucker or needle cutting
 - 40% stronger than 100% cotton threads of the same size.
 - Superior color fastness and chemical resistance
 - Superior sewability & Greater seam strength
- Ring-spun singles yarn and 2 for 1 twisted ply thread construction
 - Greater strength than open-end or air-jet spun yarn
 - Fewer yarn imperfections that can lead to sewing interruptions
- Produced with Air Spice technology to minimize major imperfections
 - Fewer thread breaks resulting in fewer restitched seams.
 - Greater production output.
- High performance thread lubricant
 - Superior needle heat resistance
 - Superior frictional characteristics for a more consistent stitch appearance.
- Less expensive than corespun threads
- Approved for NAFTA and CAFTA production
