Make a name for yourself.

Whether it's a colorful theme or an elegant monogram, the magic of embroidery never goes unnoticed. Assuming you do it right, that is! In other words, with Mettler threads.

With Mettler's two classic cotton embroidery threads, you'll be well on your way to fine or full embroidery motifs. Mettler does both to perfection – on batiste, tulle, cotton, linen,

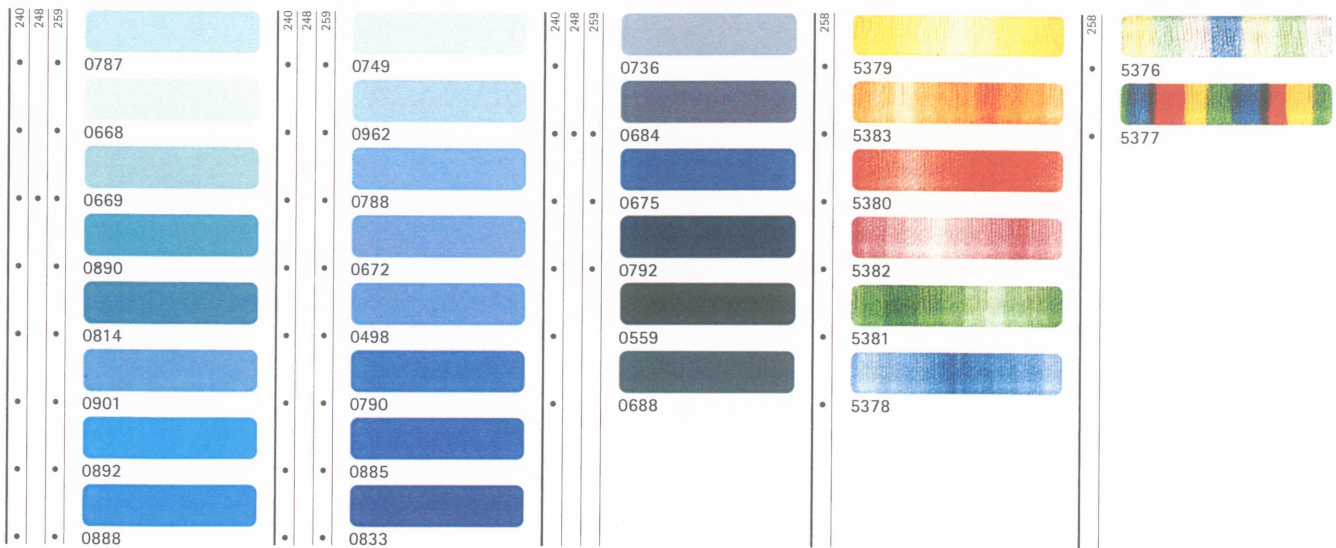

toweling and much, much more. Produced from 100 % long-staple Egyptian cotton, you'll be dazzled by their quality and shine. The special dye technology gives our embroidery yarns maximum fastness. So Mettler colors last for years. It's now that simple to make your mark.
