Perma Spun®

A&E's Global Spun Polyester thread

Why should you consider using A&E's Perm Spun® Spun Poly Seaming Thread?

The Perfect Poly thread for Serge Border and Flanging Operations where minimum interruptions due to Thread Breakage and Skipped Stitches is a MUST!

Perma Spun®

| Tex Size | Strength (lbs.) | Put-Ups |
|----------|-----------------|------------------------|
| 60 | 4.7 | 12,000 or 18,000 yards |

To reduce thread cost, many Mattress Manufacturers are using T-60 Perma Spun® in the needles and loopers to reduce their total Thread Cost!

Other *Mattress Seaming Threads*:

Magic® HP – Even larger packages for minimizing interruptions and lowering your costs.

Magic® – Air Entangled Polyester available in large put-ups.
