Wildcat Plus®

A&E's global Textured Polyester thread

- Activewear
- Casualwear
- Fleece
- Intimates
- Stretch Knits
- Swimwear
- Underwear

World of A&E

Features & Benefits:

- Made with first quality continuous filament polyester yarns
 - Allows the use of smaller thread sizes to minimize needle cutting
 - Superior color fastness and chemical resistance
 - Less variation and more consistency in physical characteristics
- High bulk twisted Textured thread construction
 - Superior ply security
 - No yarn imperfections that can lead to sewing interruptions
 - Superior seam coverage on overedge and coverstitch seaming applications
 - Superior seam elasticity on stretch garments
 - Softer "hand" contributing to more comfortable garments
- Least expensive thread construction
