 XHL = 15%

**COMMON FURNITURE COLORS (Upholstery Fabrics):**

36188	SAND
35070	ASHES
35103	MASTIC BEIGE
35520	NAVY #3
56033	BLACK
67046	RUBYTONE
67047	MIST

**PRECISION WOUND BOBBINS**

Most furniture manufacturers use pre-wound bobbins rather than machine wound bobbins. The primary benefits of PWB's is the greater yardage per bobbin and longer run times, as well as, the predictable run times due to consistent yardage per bobbin.
