Every Color Tells a Story.

FEATURES

Colorlink doesn't just identify color—it links you directly to the thread color experts, A&E. The A&E Colorlink App connects your entire team across the production process, so that finished garments always tell the right story.

My Colors

Easily create thread color combinations that inspire.

Virtual Stitch

Use your chosen colors on a variety of pre-loaded fabric backgrounds and sample stitches.

My Projects

Instantly share your projects with colleagues and supply chain.

COLORCATCH NANO

Connect the NANO for one-touch color identification.

Global Resources

Explore the world of A&E, contact reps and request physical thread color samples.
