# Best Stretch®

## High-Bulk, Textured Nylon Sewing Thread

A&E's **Best Stretch®** is a high bulk textured nylon sewing thread which is ideal for seaming and serging knit and woven fabrics.

Boasting superior seam elasticity and seam softness **Best Stretch®** provides comfort and performance in a variety of sewn products.

**Best Stretch®** is regularly used in the sewing of activewear, sportswear, casual wear, children's wear, intimate apparel from lingerie to underwear, knitwear and t-shirts, swimwear, and home textiles.

Ask Your A&E Sales Representative on Available Product with this Certification.

## FEATURES

- Excellent Seam Elasticity**  
**Best Stretch®** boasts ultra-low shrinkage assisting in reducing puckering during finishing and laundering with a higher resistance to stretching under normal sewing tensions, reducing tension puckering.
- Extraordinary Softness**  
**Best Stretch®** has been engineered to provide extraordinary softness delivering a high bulk textured thread for comfort in sewn products. This thread is ideal for seaming and serging of knit and woven products.
- Good Colorfastness**  
 This product is partially translucent to blend with many different shades for good colorfastness.

### Applications include:

T-Shirts

Underwear and Lingerie

Activewear
