

Moonglow®

Glow-in-the-Dark Color in an Embroidery Thread

For over a century Robison-Anton® has led the commercial embroidery industry with the finest embellishment and decorative threads. A&E's Robison-Anton® **Moonglow®** delivers the superior sewing reliability of a Robison-Anton® thread with a unique glow that lasts and lasts. Available in eight dazzling fluorescent colors, **Moonglow®** glows in the dark and recharge with available light.

Wound on either a 2,286 meter (2,500 yard) King or 457 meter (500 yard) Mini-King Snap Spool for added convenience and optimal payoff, **Moonglow®** is ideal for creating a glow-in-the-dark embellishments in decorative stitch applications.

**Embroidery Thread
that Really Glows!**

FEATURES

- Glows in the Dark**
 Once this specialty thread is exposed to available light, a fluorescent glow is emitted in low light situations allowing for a unique user experience that can last up to 8 hours at a time.
- Sewability**
 This unique decorative embroidery thread provides good abrasion resistance when sewing on a wide range of embroidery machines providing superior sewing reliability.
- Quality**
Moonglow® allows you to use a premium embroidery thread to brighten up those special projects without compromising on quality.
