

Wildcat® using REPREVE®

100% Recycled, Textured Polyester Sewing Thread

Complete your sustainability story with a premium sewing thread designed to assist in meeting the challenge of manufacturing environmentally responsible apparel with A&E's **Wildcat® using REPREVE®**. This 100% REPREVE recycled textured polyester sewing thread provides A&E's signature quality allowing you the flexibility to infuse an ecologically-friendly, high performance sewing thread into a wide variety of applications.

Offered in our most popular sizes, **Wildcat® using REPREVE®** provides customers with a 100% recycled thread for the sewing of tee shirts, underwear and other knit garments. A&E manufactures and delivers this product anywhere you need it to be to give your next project the eco-touch it deserves.

FEATURES

- Repreve® 100% Recycled Thread Wildcat® using REPREVE®** is manufactured with 100% REPREVE textured polyester, providing for a 100% recycled Eco-Driven® sewing thread.
- Excellent Elasticity and Strength**
 Ideal for seaming and serging of knit and woven products, **Wildcat® using REPREVE®** delivers superior elasticity and seam strength to deliver all-around performance and longer-lasting seams.
- Good Colorfastness and Chemical Resistance**
Wildcat® using REPREVE® is partially translucent to blend with many different shades for good colorfastness and good chemical resistance.

Activewear Example

REPREVE® 3rd Party SCS Certification

Nothing can be more important than the future of our planet. It's with this in mind that American & Efird has engineered a high performance 100% REPREVE recycled-core polyester sewing thread made from post-consumer plastic water bottles and A&E's signature quality polyester staple wrap.

3rd party SCS certification of the raw materials ensures you can *Complete your Sustainability Story* in your next garment with fabric **AND** sewing thread using REPREVE recycled fiber from A&E and Unifi Manufacturing, Inc.

A&E maintains a global commitment to sustainability at all of its worldwide operations, driven through its Ten Threads of Sustainability. For more information on A&E's Eco-Driven® initiatives, please visit www.amefird.com/sustainability.
