

Best Stretch®

Textured  
Nylon

# Best Stretch®

*A&E's global textured nylon thread*

## Quality Seaming on Stretch Knits

**Application:** Used in overedge and coverstitch machines for seaming and serging stretch knit fabrics that require excellent seam elasticity.

### Features & Benefits:

- 100% first quality nylon construction
  - Superior seam elasticity on stretch garments
  - Good chemical resistance
  - Good color fastness
- High bulk Textured thread construction
  - Superior seam coverage on overedge and coverstitch seaming applications
  - Superior seam elasticity
  - Softer "hand" contributing to more comfortable garments
  - No yarn imperfections that can lead to sewing interruptions
