

Excell[®]

SPUN
POLYESTER

Excell[®]

A&E's CAFTA / NAFTA Spun Polyester thread

Features & Benefits:

- Made with first quality continuous spun polyester yarns
 - Superior color fastness and chemical resistance
 - Good seam performance characteristics
- Made with modern "ring" spun, 2 for 1 twisted yarn
 - Superior ply security
 - No yarn imperfections that can lead to sewing interruptions
 - Good seam elasticity on stretch garments
 - Soft "hand" contributing to more comfortable garments
- One of the least expensive thread construction
