Magic®

A&E's Air-Entangled Seaming Thread

Features & Benefits:

- **Made with a Air-Entangled polyester thread construction**
 - Flat & ribbon-like contributing to excellent loop strength and abrasion resistance.
 - No “needle cuts” or “cut stitches” that could lead to unraveled stitches
 - Fewer skipped stitches and thread breaks
- **Larger put-ups**
 - Long continuous runs without thread changes
- **High performance thread lubricant**
 - Consistent from cone to cone minimizing machine adjustments
 - Uniform stitch appearance
- **Less expensive than corespun thread constructions**
 - Reduces thread cost while maintaining seam quality.

Durability that Lasts!
