Design-A-Core®

Design Your Own **Unique** Embroidery !

A&E's *Design-A-Core*® thread allows you to design a very unique high-lighted embroidery that **you and your customers** will love. Made from a Cotton-wrapped poly-core thread construction where the cotton wrapper is dyed a different color than the polyester core adding **STYLE** to your sewn products!

IN EMBROIDERY

Unlimited creativity!

The dominate color shade is the wrapper. The photo above is of cones with identical shades but the colors of the wrapper and core are reversed. Make sure to selected contrasting color shades.

Benefits:

- Has a low sheen matte two-tone embroidery stitch appearance like cotton
- Provides a "soft hand"
- Excellent sewability
