

MOONGLOW®

GLOW-IN-THE-DARK EMBROIDERY THREAD

Moonglow® delivers the superior sewing reliability of a traditional Robison-Anton® embroidery thread with an added unique glow that lasts and lasts. Available in eight dazzling fluorescent colors, Moonglow® glows-in-the-dark and recharges with available light.

Steeped in rich heritage, A&E's Robison-Anton® brand products are considered the trusted name for quality embellishment and decorative threads in the commercial embroidery industry.

Glow-in-the-Dark

BENEFITS

GLOW-IN-THE-DARK — Once this specialty thread is exposed to available light, a fluorescent glow is emitted in low light situations allowing for a unique user experience that can last up to 8 hours at a time.

ABRASION RESISTANT SEWING — This unique decorative embroidery thread provides good abrasion resistance when sewing on a wide range of embroidery machines providing superior sewing reliability.

QUALITY — Moonglow® premium embroidery thread brightens up those special projects without compromising on quality.
