

ANECOT PLUS®

100% LONG STAPLE, SPUN COTTON SEWING THREAD

A&E's Anecot Plus® is a 100% long staple, spun cotton sewing thread, twisted and finished for optimum sewing performance on manual and automatic multidirectional sewing machines. Ideal for applications in which a high strength, natural fiber is required, Anecot Plus® is an excellent choice for garment over dyeing.

Anecot Plus® is available in Soft, Gassed, or Mercerized and Gassed.

BENEFITS

HIGHER TENSILE STRENGTH— Manufactured with 100% long staple, spun cotton, Anecot Plus® delivers stronger seams compared to short-stapled, cotton thread products.

WILL NOT MELT — Due to its natural cotton fiber, Anecot Plus® will not melt and is not affected by needle heat or pressing.

EXCELLENT FOR OVERDYING — Displays very good colorfastness and is an ideal choice for garment over dyeing.

HIGHLIGHTED USES

- Garment Overdye
- Casual Wear
- Children's Wear
- Denim / Jeanswear
- Ladies Wear
- Trousers and Pants
- Shirts and Tops
- Dresses and Skirts

ANECOT PLUS®
