

ANECOT®

100% SHORT STAPLE, SPUN COTTON SEWING THREAD

A&E's Anecot® is a 100% short staple, spun cotton sewing thread. Twisted and finished for optimum sewing performance and an excellent option for overdyeing, Anecot® boasts low elongation with excellent loop formation. Unaffected by needle heat or pressing, Anecot® will not melt, making this sewing thread ideal for applications that require a natural fiber.
