

# ANEFIL NYLON® DRY

NON-WICKING, TWISTED MULTIFILAMENT, NYLON SEWING THREAD

Anefil Nylon® Dry combines the same twisted multifilament nylon sewing thread as in Anefil Nylon®, with an enhanced, non-wicking application. Available in bonded and soft finishes, this thread's twisted multifilament construction delivers a sewing thread with good abrasion resistance and excellent seam strength for a superior sewing performance. When bonded, Anefil Nylon® Dry displays excellent ply security.

Eco-friendly, Anefil Nylon® Dry is 100% PFC-Free and does not contain any perfluorochemicals including: C8 (perfluorooctanoic acid (PFOA) and perfluorooctanesulfonic acid (PFOS), C6, and C4 chemistry.

## BENEFITS

**NON-WICKING AND PFC-FREE** — Engineered to exceed the most rigorous industry and military wick tests and does not contain harmful PFCs.

**SUPERIOR SEWABILITY** — Displays excellent overall seam strength and provides a superior, consistent sewing performance with fewer sewing interruptions.

**VERY GOOD COLORFASTNESS** — This durable thread displays very good colorfastness with good color resistance, and is available in a wide range of color.

## HIGHLIGHTED USES

- Footwear
- Defense Articles
- Automotive
- Furniture
- Outdoor Apparel
- Outdoor Products
- Luggage
- Handbags
- Protection Apparel
- Sporting Goods
