

ANEQUILT®

BONDED MONOCORD, NYLON SEWING THREAD

Featuring a bonded, monocord nylon construction, Anequilt® lays flat within the seam for low profile sewing applications. Engineered for use in high speed, single needle scroll quilting applications, A&E's Anequilt® provides for an excellent sewing experience, minimizes interruptions, and maximizing productivity.

Prewound bobbins are available.

BENEFITS

EXCELLENT ABRASION RESISTANCE — Ideal for low-profile quilting operations, Anequilt® delivers excellent overall abrasion resistance.

SUPERIOR SEWING PERFORMANCE — Exceptionally strong for its size, Anequilt® provides good overall strength, producing a higher yield over twisted nylon products.

VERY GOOD COLORFASTNESS — Displays good colorfastness with good color resistance. Available in a wide range of popular colors.

HIGHLIGHTED USES

- Mattress
- Bedding
- Soft Home
