

WILDCAT PLUS®

HIGH PERFORMANCE, TEXTURED POLYESTER SEWING THREAD

A&E's high-performance textured polyester sewing thread, Wildcat Plus®, is ideal for seaming and serging knit and woven fabrics. This sewing thread provides superior seam elasticity, softness, and seam strength delivering across the board performance and longer lasting seams. Wildcat Plus® is even used in overedging of fashion apparel.

Inquire with your sales representative for information on A&E's 100% recycled option, Wildcat Plus® ECO100.

Ask Your A&E Sales Representative on Available Product with this Certification.

BENEFITS

EXCELLENT SEAM ELASTICITY — Delivers superior elasticity and seam strength for a great all-around performance and longer lasting seams.

EXCELLENT SOFTNESS — Engineered with incredibly soft, textured polyester and ideal for next-to-skin applications.

GOOD COLORFASTNESS AND CHEMICAL RESISTANCE — Partially translucent, this thread naturally blends with many different shades, providing good colorfastness. It is durable in laundering with good chemical resistance.
