

SUPER MATTE™ ECO100

100% RECYCLED POLYESTER, MATTE FINISH EMBROIDERY THREAD

Steeped in rich heritage, A&E's Robison-Anton® brand products are considered the trusted name for quality embellishment and decorative threads in the commercial embroidery industry. A&E is proud to offer Super Matte™ ECO100, a 100% recycled, matte finish, spun polyester sewing thread. Produced in GRS SCOPE CERTIFIED facilities, Super Matte™ ECO100 allows for gorgeous, muted colors that contrast against high luster embroidery threads, like A&E's Super Brite Polyester® and its 100% recycled variation, Super Brite Polyester® ECO100. Designed for performance, Super Matte™ ECO100 delivers excellent stitch formation and appearance, and a high quality, sustainable alternative to rayon embroidery threads.
