ECO100
100% RECYCLED THREAD

Ask your A&E sales representative about available product produced in GRS SCOPE CERTIFIED facilities.

Authorized PANTONE Partner

Ask your A&E sales representative about available product with this certification.

A&E is proud to offer Super Matte™ ECO100, a 100% recycled, matte finish, spun polyester sewing thread. Produced in GRS SCOPE CERTIFIED facilities, Super Matte™ ECO100 allows for gorgeous, muted colors that contrast against high luster embroidery threads. Designed for performance, Super Matte™ ECO100 delivers excellent stitch formation and appearance, and a high quality, sustainable alternative to rayon embroidery threads.

Steeped in rich heritage, A&E's Robison-Anton® brand products are considered the trusted name for quality embellishment and decorative threads in the commercial embroidery industry.

100% RECYCLED POLYESTER

Manufactured with 100% recycled polyester, this thread provides a recycled, sustainable embroidery thread with a classic matte finish.

MATTE FINISH COLOR

Displaying a muted, matte finish, this sustainable thread choice delivers beauty in 450+ available Pantone® matched shades.

HIGH TENSILE STRENGTH AND ABRASION RESISTANCE

This thread delivers great seam integrity, while providing good seam strength and abrasion resistance.
