# WILDCAT®

PREMIUM, TEXTURED POLYESTER SEWING THREAD

Regularly used in the serging of knit fabrics, A&E's Wildcat® provides very good seam elasticity and softness. Wildcat® is ideal for overedge, chain stitch, providing good strength and coverage for soft, longer lasting seams in a variety of apparel and home textile applications.

### EXCELLENT SEAM ELASTICITY AND SOFTNESS

Engineered for softness in next-to-skin application, this sewing thread delivers very good elasticity and seam strength for a great all-around performance and longer lasting seams.

### RELIABLE SEWING PERFORMANCE

This thread product provides for a consistent, reliable sewing performance, increasing production, while reducing thread costs with less breaks.

### GOOD COLORFASTNESS

Durable in laundering, and resistant to most chemicals, this thread is partially translucent and naturally blends with many different shades, providing for good colorfastness.
