MOONGLOW®

GLOW-IN-THE-DARK EMBROIDERY THREAD

A&E's Moonglow® delivers the superior sewing reliability of a traditional Robison-Anton® embroidery thread with an added unique glow that lasts and lasts. Available in eight dazzling fluorescent colors, Moonglow® glows-in-the-dark and recharges with available light.

Each Moonglow thread color has been tested to glow up to 8 hours with available light, remaining strong after 50 industrial washes.

GLOW-IN-THE-DARK

Once this specialty thread is exposed to available light, a fluorescent glow is emitted in low light situations allowing for a unique user experience that can last up to 8 hours at a time.

GOOD SEWING PERFORMANCE

Industry-trusted, this thread provides for a good abrasion resistance and very good sewing performance on a wide range of embroidery machines with fewer thread breaks.

QUALITY HERITAGE

Steeped in rich heritage, A&E's Robison-Anton® brand products are considered the trusted name for quality embellishment and decorative threads in the commercial embroidery industry.
