Ask your A&E sales representative about available product with this certification.

Anesoft® ECO100 is manufactured with 100% recycled, textured polyester. This eco-friendly variant of A&E's Anesoft® sewing thread, provides the same level of seam softness and seam coverage in our traditional product. Its textured construction also displays the same suppleness and extensibility necessary to deliver ideal seams used in knit and stretch garments, with the added sustainability of a 100% recycled thread. Anesoft® ECO100 is produced in GRS SCOPE CERTIFIED facilities.

100% RECYCLED TEXTURED POLYESTER

Manufactured with 100% recycled, textured polyester, this thread product is an excellent sustainable option for the sewing of responsible apparel.

EXCELLENT SEAM SOFTNESS

Delivers incredibly soft seams in next-to-skin applications.

SUPERIOR SEAM COVERAGE

Ideal for use in over-edge and cover stitch applications, this thread product displays excellent covering properties and stretch within seams.
