J METALLIC™

METALLIC APPEARANCE EMBROIDERY THREAD

When eye-catching embellishments in decorative stitch applications are needed, A&E's J Metallic™ provides a one-of-a-kind, metallic appearance, while delivering good strength and durability you expect from a quality embroidery thread. J Metallic™ is often incorporated into eye-catching designs, logos, and emblems featured on premium garments and headwear.

LUSTROUS APPEARANCE

This dazzling embroidery thread glints when viewed in light, delivering a metallic look to a decorative stitch that garners attention.

GOOD SEWING PERFORMANCE

Industry-trusted, this thread provides a good sewing performance on a wide range of embroidery machines with fewer thread breaks.

COLOR AVAILABILITY

Available in over 20 striking, metallic colors, this thread provides any project a unique, enhanced look.
