ANESTRONG™

HIGH TENACITY, FINE DENIER, TWISTED MULTIFILAMENT
POLYESTER SEWING THREAD

Ask your A&E sales representative about available product with this certification.

Anestrong™ is a high tenacity sewing thread recommended for use in transparent blindstitching, basting, and felling apparel applications. Anestrong™ delivers a soft, smooth thread with exceptional strength versus other sewing threads of a comparable size, due to its twisted multifilament, polyester construction.

HIGH TENACITY / SMALL SIZE

Delivering outstanding strength versus other sewing threads of the same Tex size, making this thread an ideal choice for seaming, button sewing, and the edge stitching of lapels.

MAXIMUM SEWING EFFICIENCY

This thread product maximizes sewing performance when running at elevated speeds, reducing machine downtime, and improving overall productivity.

EXCELLENT COLORFASTNESS

This thread displays excellent colorfastness and laundering durability performance with good chemical resistance, including chlorine bleach.

**SCHOOL UNIFORMS • CHILDREN'S WEAR • FINE TAILORING • BLAZERS
• SPORT COATS • MENSWEAR • LADIES WEAR**
