PERMA SPUN® SPC

SPECIALY-PROCESSED, SPUN POLYESTER SEWING THREAD

A&E's Perma Spun® SPC is a 100% polyester staple spun sewing thread, manufactured with Cradle to Cradle Certified™ compliant dyes and chemicals. This thread provides excellent seam strength, softness, and sewing performance across multiple operations.

Cradle to Cradle Certified™ is a globally recognized measure of safer, more sustainable products made for the circular economy. A&E has earned a Bronze level C2C Certified Material Health Certificate™ for Perma Spun® SPC. A C2C Certified Material Health Certificate™ is awarded to products that meet the material health requirements of the multi-attribute Cradle to Cradle Certified™ Product Standard.

C2C CERTIFIED™ DYES AND CHEMICALS COMPLIANCE

This thread product is made with C2C Certified™ compliant dyes and chemicals and has earned a Bronze level Material Health Certificate.

EXCELLENT SEWING PERFORMANCE

This thread displays an excellent, consistent performance on manual and automatic multi-directional sewing machines.

VERY GOOD SEAM SOFTNESS

Developed for when a traditional staple spun polyester thread is required, each of these thread products display a soft hand.
